

## Coronavirus - Important Information Regarding our Holidays, Excursions and Private Coach Hire

Date added: 20.07.21

Now we have progressed to step four of the government recovery roadmap, all coach holidays and day excursions are going ahead as planned, with no restriction on the number of customers that can be carried.

Coaches are available for private hire for all purposes including educational trips, transport to sporting and other events and for travel for leisure. These trips can now operate at full seating capacity.

Woods have made the decision that the wearing of face masks/coverings whilst travelling on board our coaches will stay in place until further notice.

All balance payments for coach holidays will be due as normal (8 weeks prior to departure).

We have greatly appreciated your patience, understanding and support during the last 16 months.

We look forward to helping you make some new happy memories this summer.
