

Coronavirus - Important Information Regarding our Holidays, Excursions and Private Coach Hire
Date added: 01.06.22

Now that all cruise lines, airlines and many holiday operators have reduced their Covid-19 restrictions, we feel the time is right for us to do the same. All our coach holidays and day excursions are going ahead as planned with no restriction on the number of customers that can be carried.

Effective 1st June 2022, it is the choice of the customer if they wish to wear a mask whilst travelling on board our coaches, and we ask those who prefer not to wear one to respect the choice of others who still do.

Coaches are available for private hire for all purposes including educational trips, transport to sporting and other events and for travel for leisure. These trips can now operate at full seating capacity and the wearing of a face covering is personal choice.

All balance payments for coach holidays will be due as normal (8 weeks prior to departure).

We have greatly appreciated your patience, understanding and support during the last two years. We look forward to helping you make some new happy memories in 2022 and beyond.
