

Welcome!

It is with great pleasure that we introduce our new 2020/2021 holiday brochure, which you will find full of wonderful destinations and interesting events to tempt you. Although the summer of 2020 saw a lot of attractions and venues closed, they are beginning to reopen their doors and we can start to explore by coach again. We will, of course, be taking all the relevant precautions for your health and safety, as will our chosen hotels and attractions. More details about the measures we have in place can be requested from our offices or found on our website.

The beauty of joining one of our tours is that we collect you from your front door and return you home again at the end of your holiday. All travel is taken care of, so you just need to book your favourite holiday and let us take care of the rest. We stay in carefully chosen quality hotels and the creative team at Woods take pride in designing your tour to include interesting, historic and scenic visits to make you want to return again and again.

2020 has been an incredibly difficult year so far, with our staff working tirelessly behind the scenes to keep our customers up to date with rescheduled tours, and making sure that every single person had as many options as possible available to them when trips were not able to go ahead. We would like to thank all of our lovely Woods customers who were so patient, understanding and kind while we arranged and rearranged the many tours affected. Thank you all for your kind words, cards, flowers and the support you have given us this year, and since we began our family-run business in 1971!

As we enter our 50th year in the travel business, we look forward to welcoming you back on a Woods coach holiday very soon!

Door to Door Service

We are proud to have pioneered the concept of door to door service. This couldn't be easier. A taxi will call to pick you up from your front door and deliver you to our luxury coach. Your luggage is then transferred to the coach by the driver. On arrival at your destination, while you settle into your comfortable en-suite room, your suitcase is delivered to your door. On your return, a taxi will meet the coach and transfer you and your luggage back home.
