

Do you wish you could do something extra special?

If you have a big birthday or milestone anniversary coming up, or just want to treat a friend or loved one, we can help you arrange a day to remember. Our chauffeur will collect you from your address in our luxury six seater Mercedes and take you to your chosen destination. If you have a particular venue or event in mind we will work to your requirements or we can help you research and choose the perfect day out. It doesn't have to be just one day – we can also arrange overnight accommodation and an itinerary of your choice.

WEST END SHOWS

We will drive you to London to see one of the current West End shows. We can also reserve a table for you in a nearby restaurant for a pre-show meal or we can book a restaurant of your choice for dinner after a matinee performance.

A DAY OR EVENING AT THE RACES

Travel to a racecourse of your choice and we can arrange entrance, a 3 course meal in their restaurant with a view of the racecourse and betting service from your table.
(Available at several race courses, subject to their racing programme.)
